MANDISA MACLEOD

FOCUS PULLER

Bio:
Having started her career after film school as a 1st AC on telenovelas, Mandisa soon wanted to know and understand more about the department she was in and realised that to do that,she'd need to leave the familiar behind and go back to being a 2nd AC but on much more high profile jobs in Cape Town.

The decision was a good one, over the next few years she gained invaluable knowledge and experience, learning from the best and working with the latest cameras and lenses. Since returning to Johannesburg in 2019 as a focus puller, Mandisa has excelled in her role, passionately engaging in her craft. Her meticulous attention to detail and unwavering commitment have positioned Mandisa as one of the most sought after focus pullers in Johannesburg.

As her agent, it's been a priviledge to witness her growth :)
