

A man wearing a black t-shirt, a black baseball cap, and black gloves is standing outdoors. He is holding a black cable or rope that is part of a lighting rig. In the background, there are large trees and greenery. To the right, a blue and silver lighting fixture is visible, mounted on a stand. The scene is set in a natural, outdoor environment with sunlight filtering through the trees.

Zaid Lagadien

Gaffer /BB Lights / Spark

Bio:

As a dedicated lighting technician specializing in spark work, I have gained valuable experience in the industry through various projects. I approach each production with a strong work ethic and a commitment to delivering quality results that enhance the creative vision of the project. My role primarily involves setting up, maintaining, and operating lighting equipment, ensuring that each scene is lit according to the director's and cinematographer's specifications. I am always eager to continue learning and expanding my skill set within the lighting and grips department. My goal is to contribute effectively to every project and bring lighting designs to life with precision and creativity.
