

GERRIT VAN ZYL

KEY GRIP

Bio:

As a Grip with over 21 years of experience, I have cultivated a deep knowledge of various technical and artistic aspects of film, video, and television production. My journey began with cable bashing in school and progressed through roles in lighting, cinematography, and even editing before I ultimately found my passion in gripping.

Throughout my career, I have had the opportunity to shoot content in nearly every corner of this beautiful country, as well as in Germany, Italy, Switzerland, and various parts of Africa. My dedication to the craft of filmmaking is unwavering, and I truly love the art of it. My 11 years working on "I'm a Celebrity Australia" is a testament to my tenacity and commitment to my profession. Each project fuels my passion, and I am proud to contribute to the magic of storytelling through my work as a Key Grip.
