

Bio:

JP is a skilled gaffer with a passion for lighting design in the film industry. With a keen eye for detail and a love for experimenting with the latest lighting technology, JP brings creative visions to life on set. Whether it's crafting the perfect mood with traditional setups or exploring innovative solutions with new lights, JP thrives on enhancing every scene with the right illumination. Dedicated and always eager to learn, JP combines technical expertise with artistic flair, making each project visually compelling and unique.

AGENT: KREWKUT

JP DU PREEZ
