Freelance Production Manager represented by, Krewkut | 083 444 4513 | saskia@krewkut.co.za

SUMMARY

Nomtha Dano has a great sense of humour, which as we know is much needed when it comes to film production. That's not to say she doesn't take her job seriously - She really does, but she makes it that much more enjoyable for both herself and those around her. Nomtha really is the whole package
