BB Lights
Code 10 PDP

Bio:

Sekwane joined us in 2019 straight off the floor from Panalux having done an internship there. Jean Du Plessis had noticed Sekwane as a Young, smart and hardworking individual and suggested we take him on, 5 years later and countless commercials along side Jean and many others, Sekwane has proven himself both versatile (happy to jump in and help grips when needed) and skilled. He is also beginning to Gaffer more and more now.
