

TYRONE POIPAO

FOCUS PULLER
OPERATOR

BIO:

Tyrone is a hardworking, passionate, and motivated young creative from Johannesburg. In 2017, he joined Krewkut as a PA after returning from working in the industry in London. His dedication and work ethic caught the attention of the lighting department, who mentored him. Despite starting in lighting, Tyrone discovered his true passion for camera work and transitioned to become a loader under Miche Britz in 2019. His relentless pursuit of knowledge and willingness to adapt to technological advancements led him to take the leap into becoming a sought-after focus puller in 2021. Tyrone's commitment to his craft and constant desire to learn make him an invaluable asset in the industry.
