

A black and white portrait of a man with dark, wavy hair and a light beard, looking slightly to his left. He is wearing a dark, collared shirt. The background is a repeating geometric pattern of interlocking squares, resembling a Greek key or meander design.

CHUANNE BLOFIELD

DIRECTOR OF PHOTOGRAPHY
CAMERA OPERATOR

ABOUT

Chuanne Blofield is a South African filmmaker working in the feature film and short content realms. In 2016, he received the highest national accolade in his field for his work on the film, *"Necktie Youth"* where he won the *Golden Horn for "Best Achievement in Feature Film Cinematography"* at the South African Film and Television Awards, cementing his place, at the time, as the most prominent young cinematographer working in South Africa.

His work has been described as 'a classical portrait, sombre, lonely, hyper-realistic yet hyper-romantic' The Hollywood Reporter, Variety and Indiewire. More recently he was part of the team that shot the Emmy Award winning show, *Home* on Apple TV . When Chuanne isn't shooting he likes to spend his free time doing woodwork and making and restoring vintage furniture.
