

A man with a beard and glasses, wearing a tan jacket and dark pants, is operating a professional video camera. He is wearing a shoulder rig with a large lens and a microphone. The background is a dense forest with bare trees and some green leaves. The text "JOSH ROWE" is overlaid in large white letters on the left side of the image.

ABOUT

Josh Rowe is a seasoned cinematographer with love for expedition and the road less travelled, from climbing mountains to seasons in the Arctic islands of Svalbard and the Antarctic, he has truly been there and done it. He now operates out of Cape Town, or on his sail boat in Greece.

From Commercials to Narrative, he prefers to be behind the camera when asked and won't settle for less when challenged to shoot. When he's not travelling, he can be found under one of his Land Rovers at his workshop, quietly napping from the world.
