

MARCUS HEBBELMANN

DIRECTOR OF PHOTOGRAPHY / CAMERA OPERATOR

ABOUT

A man with short brown hair, wearing a black t-shirt and a black watch, is operating a professional video camera mounted on a gimbal. He is wearing a black vest with a shoulder rig. The background is a lush green forest with trees and foliage. The lighting is natural, suggesting an outdoor setting.

Marcus is a 2 X Emmy nominated cinematographer with over 15 years of experience in the local and international film industry. Having worked extensively in the documentary space, he has, in recent years, transitioned into commercials, and is also a highly sought-after gimbal operator.

Small-crew documentary shoots have taken Marcus to challenging and remote locations, shaping him into a versatile DOP who can adapt and overcome obstacles while still telling a compelling visual story.

With extensive experience on outdoor reality TV shows, Marcus has developed an instinctive talent for shooting in natural light. This skill now informs how he recreates and captures organic settings in commercial productions, bringing authenticity and beauty to every frame.
