

TEEGA MICHL

DIRECTOR OF PHOTOGRAPHY

WEBSITE

KREWKUT

“ I love everything that has to do with the camera department. I started working as a grips assistant, then quickly made the switch to camera loader, from there, I got the opportunity to pull focus for some of my DOP friends and that’s what I’m doing currently.

ABOUT

On days I’m not busy, I’m always finding the opportunity to shoot my own work – which has helped me become recognised as an upcoming young DOP. ”
