

LEONARD TSANDENI

KEY GRIP

A man in a striped polo shirt and a grey cap is walking on a paved area, pushing a large metal dolly. In the background, several other people are standing, and there are cars parked on a street. The scene appears to be a film set or a public event.

## Biography :

Leonard started in the film industry in 1986 as a hamper and he then moved onto his first movie, Gor, also as a hamper.

Although this was not where he wanted to be , Leonard then went to Namibia in 1987 to work on A Red Scorpion for four months.

He moved on to being Best Boy and pushed himself to be where he is today, Key Grip.

His favorite features this far are My Sister's Kids, Wild on Safari and Wild At Heart.

Leonard is a hard working, humble family man with a passion for life!
