

**ADAM BENTEL**

Director of Photography

## Biography :

Storytelling is part of who Adam is. He draws on his own personal experiences and emotions when beginning any project. Adam has always been in love with stories and he comes from an incredibly creative family, where literature and music played a major role in his upbringing.

To Adam, cinema represents the youngest form of storytelling and thus a deeply influenced art form.

Although young, Adam is a seasoned Cinematographer with a host of nominations and awards to his name including most recently 2 SAFTA's in one year and Cameraimage 2016 <https://camerimage.pl/en/>. Most recently in 2017 Arri celebrated their centenary with a coffee table book (The Filmmakers View) mentioning the 100 most influential cinematographers of the last 100 years, Ad is in this book - Need we say more?
